Remarks

Live the boater's dream on exclusive North Longboat Key. This spectacular, newly built, coastal contemporary waterfront home provides easy access to the tranquil Intercoastal Waterway, sparkling Sarasota Bay and majestic Gulf of Mexico. Located on a three-quarter acre lot with 133 feet of frontage on a 125-foot-wide canal, this 4,210-SF home features an open floorplan with light-color finishes, quartz hard surfaces and wood-look tile flooring. The large kitchen includes a Sub-Zero glass door refrigerator and Thermador appliances. There is an additional full outdoor kitchen with a gas grill, vent hood and U-Line refrigeration. A spacious first-floor office/den overlooks the waterway. There are 5 ample en-suite bedrooms, 2 half-baths. Relax in the second-floor master suite Jacuzzi tub or take the spiral staircase up to the third-floor observation deck to relish the serene views. The large, heated pool includes a Jacuzzi with a sun shelf for year-round enjoyment. During the cooler months, enjoy a relaxing evening in the great room in front of the fireplace or outdoors near a mesmerizing fire pit. Additional luxury amenities include a 60-foot composite deck with a 10x10 sitting area, fish station, water snoots on dock, hummers, cleats and underwater lights. Water safety features include a new 133-
